Most lessons will be taken in groups of up to four students. Lessons cost \$12 per week. You will be invoiced for the first two terms' lessons and payment is due by the end of Term One. Students are expected to attend their lesson on time and every week, even if they have forgotten their instrument. Occasionally a student will have a class trip or sports' day on their music lesson day. Catch up lessons will be organised for these students and it is the students' responsibility to inform Mrs Harford about missed lessons. Unfortunately we cannot refund money if students are absent because of illness or family holidays. Students should be practising at least three times every week for 20 minutes to ensure they make good, steady progress. Students must commit to lessons for the whole year.
