

## ICAS Tests 2011

28 March 2011

Dear Parents/Caregivers

Each year we offer students the opportunity to enter the ICAS (International Competitions and Assessments for Schools) tests. These tests are designed to challenge our more able students. These take place at school and are completely voluntary. There are entry fees for each test that are set by the University of New South Wales and they are run on a set date.

If you wish your child to take part in these tests, please complete the form below and return it to school, with payment, **by Friday 8 April**. Please include payment for all ICAS tests that your child is sitting to ensure that closing dates are met.

Thank you,  
Susan Cattell  
Deputy Principal
