T.N.I.S. International Exchange Programme 2011

Over the past years we have had many very successful exchanges with schools in other parts of the world. Our programme for this year is exciting with the continuation of established exchanges with Belgrave South and Selby Schools in Melbourne.

This exchange provide an enriching experience for students by giving them the opportunity to visit another country, take part in different school programmes and meet people from other cultures. Many wonderful friendships have developed between our pupils and their “overseas families” as a result of exchange visits.

We urgently require host families for the group from Melbourne who are visiting in May. T.N.I.S. students wishing to go on the Melbourne Exchange should consider hosting a student as this establishes a valuable link with the visitors. Dates for our return visit to Melbourne will be finalised at a later date (September/October).

As a host you will be an integral part of the exchange. A detailed programme is planned by T.N.I.S. that outlines activities day by day, however the weekends are free for your family to show the visiting student around Auckland or beyond if you wish.
