Dear Parents/Guardians

Your child has expressed an interest in being part of the school Kapa Haka Group this year. This group of performers is a special part of the culture of our school as they welcome all special visitors to T.N.I.S.

There will be an outside tutor who comes in once a week to train the group and I will be the coordinator at school. To cover the cost of this weekly tutor we are asking that each student pays \$45.00 for the year.

Practices will take place every Tuesday from 12.05pm until 1.00pm. Occasionally there will be extra practices as we prepare for special school and festival performances. Being part of this group is a commitment for the year but will not prevent your child from being involved in any Zone Day competitions.

Please complete the payment slip below and return it, with the money, to me in Room 9.

Kind regards

Kat Naylan
Kapa Haka Coordinator
