

**WESTLAKE GIRLS HIGH SCHOOL 2011.**

**FREE STRINGED INSTRUMENT LESSONS**

In order to encourage young musicians onto orchestra instruments earlier in their schooling, Westlake Girls High School is offering free lessons for Year 7/8 students who are intending to go to W.G.H.S. in 2012/13 and would like to begin either the Violin, Viola, Cello or Double Bass this year.

- This is a Music Tuition Scholarship where one of Westlake’s Itinerant music staff will come to T.N.IS. once a week and tutor your daughter for half an hour on the instrument.
- The monetary value of the scholarship is \$1200 per student (approx 40 lessons per year).
- Students will need to hire the instrument (WGHS staff will help with this)
- Students must commit to attending W.G.H.S. and being involved in the Orchestras when they are a student there. Also they will be required to join the T.N.I.S. Orchestra when they are able to play to a basic standard. Failure to do this will require a refund of \$1000 to W.G.H.S.

**To apply for the W.G.H.S. free lessons please complete the following and hand to Sandy Harford Room 21 at T.N.I.S. by February 21<sup>st</sup>.**
